> Lowder, Mangum, Tex. GENERAL S. B. MAXEY. One of the most noted personages in the throng is General Samuel Bell Maxey of Lamar county. As the reporter paused in front of a group which he was conversing with, the following was overheard: "Our county is prosperous,

Purvis, William A. Sanderson, T. H. counties around, can obtain money Finch, G. D. Boutwell, Robert Morrow, enough from the banks to carry him through the summer, and when he bring Everything is moving off splendidly. in his cotton it is his, and he sells it and The trains are being met by the various pays his debts. The advantage of his committees and already many have ar- system is apparent. Our limits rived. The following will be to-day's are superior and our people in basy circumstances. And, mind you, they are southern people in town and The following is the programme of the country. The three banks in my town are owned and controlled by southern The Association meets at 10 o'clock at | men, the principal stores are owned and the Opera house and Mayor Broiles, on | controlled by southern men, the furniture the part of the city, will deliver an ad- stores and grocery stores are controlled dress of welcome to the Veterans, to be by southern men, and the farmers are followed by an address of welcome to be the same by an overwhelming inajority delivered by Hon. T. J. Powell of this It is progress and enterprise, and enterprise,

"You are not a willing disciple to the "New South!" said General Maxey

the doctrine is false and fulsome. Grady There were a few of the officers in town is merely a slobberer. Tell me that a Among them was one people who with a government, without s traesury, without an army, without a navy, without anything and with everywe were exhausted and had no resources lowed and softened by the alchemy of known throughout Texas. In addition to left-tell me that a people who had done time. Again they traverse the Rio being a Mexican war veteran, Colonel Hall this are without energy? Nonsense! Grande's yellow sands; again they storm is a representative of Hubert Howe Ban. Absolute, stilly nonsense! I am of those who believe that the wonderful advance and progress of the south is due to northern capital or Prominent among the arrivals of the energy. A peeple who returned from the war to find their homes desolate, their who have changed all the scene of horror to one of beauty, need not wait for outside influences to spur them along. They went to wo k and did it themselves. I give the north full capital built many of our roads primarily, out it was the energy and labor of southern brain, muscle and energy." Congressman Hare said "that reminds me," and proceeded to explain his only ceived a telegram from Colonel James H. sope of securing a pension through the Torbitt that he and Captain Ross, the agency of disabilities; but the reporter AN OLD-TIMER.

Among the veteran arrivals at the Pickwick hotel last evening is the old Mex!can soldier, John Law, from Chain Lake Center, Minn., who has traveled all this distance of more than a thousand miles to meet his old comrades in arms, Captain E M. Daggett-long since deceased

THE RIGHT HEADQUARTERS. Last night, through some misunderstanding, a lot of circulars were distributed, notifying the veterans to register at

Hi Duff is here, sixty-four years old, if Captain Tom Martin was among the

boys, and stormed the City of Mexico at least half a dozen times on meeting his old soldier in srms. Everybody is taking care of the vets.

Secretary Kenaday looks young enough of Sixth. to have been a drummer boy in '61. Uncle Jesse Milton is a whole community when you get a chance to count him

BRIDE AND BURGLAR.

What a Frightened Lady Felt When She Pat Her Foot Out of Bed.

Boston Saturday Evening Gazette. A young married lady whose face is familiar at the hospitals, charitable institutions and the various art rooms and picture galleries had, not long since, a night owing to the fact that many went singular experience. Her bedroom had a directly from the train to private houses, large bay-window front and two ordibut THE GAZETTE secured the following: nary windows on one side of the room. Daggett, Sr., N. K. Fergusen, Dr. H G William Hamilton, La.; William E Estes, It was a warm night early in the season, Smith, J. J. Melton, A Battles, W. A. Texarkana; J. K. Ashby, Fort Worth; and her husband being absent she took the extra precaution of fastening the the extra precaution of fastening the blinds of the long front windows by placing against them a carpet hassock. On retiring she at once fell asleep, but found Paris, Tex.; herself suddenly aroused and in an in-W*co; R. H. stant wide awake. Wondering what had Saunders, Gilmer, Tex.; John L awakened her she sat up in bed and no-Parvis, Fort Worth; R. B. Segler, Fort ticed that the blinds were pushed apart, General Walter P.
